Division of Health Care Finance and Policy
Claims Update
February 12, 2009

Issue: Update on diagnosis codes exempt from Present on Admission (POA) reporting.

Update: The Division has posted an updated list of diagnosis codes exempt from POA reporting. The POA exemptions were identified via the ICD-9-CM Official Guidelines for Coding and Reporting which went into effect on October 1, 2008. Providers can download the list of POA exemptions by clicking on HSN POA Exempt List, under Other Information.

Providers with question on the POA exempt list should contact the Division's Claims Customer Support Center at (866) 697-6080.
